Message from the desk of Chairman ...

Sh. Surja Ram Meel
Chairman
SKIT

The primary focus of all our efforts at SKIT is to continuously fine tune our education delivery systems and internal processes to accord with the needs and challenges of the contemporary world. Apart from imparting relevant domain knowledge and building competencies necessary for effective functioning anywhere in the world, we also make conscious efforts to improve the sensitivity of our students to different ethos, value systems and cultural milieu which they may experience in the course of their careers. The aim is to make our students autonomous and socially responsible human beings capable of self direction and ready for employment on the day they graduate. Our campus provides a rich, throbbing and exciting social and cultural life with enabling culture that promotes interest in Management education. The campus life also promotes informal learning through student mentoring and counselling, professional and hobby clubs and research projects.

The Department of Management Studies has institutional arrangements for capacity building through development of soft skills and value added courses which bridge the gap between expectations of the corporate world and the world of academia. The enabling ambience of the college is consistent with the learning objectives of the students and need of their overall development as professionals. Our goal is to reinforce the faculty at the highest level of academic hierarchy and to strengthen the infrastructure and processes to be in consonance with the level of excellence to which the group aspires.

I am confident that those who choose to be a part of us as students will find the experience enriching and exciting.

Message from the desk of Director ...

Sh. Jaipal Meel
Director
SKIT

“The goal of education is the advancement of knowledge and the dissemination of truth.”

Welcome to SKIT, where academics and activities never end and the students are molded as future business leaders. The Department of Management Studies works on the vision to become one of the leading centers of teaching, research and extensions in the field of Management through total commitment towards quality education and training. We instill our students with the strength of character, self-confidence technical competence and leadership in management. Further, SKIT spares no effort to make its curriculum world class and deliver it in the most effective manner. It constantly scans the developments in the field of Management and in society and tries proactively to meet the challenges. We propagate knowledge to the students with the help of dedicated faculty, state-of-the-art library and well-equipped labs. With the world becoming a global village and globalization, coupled with stiff competition, making its presence felt in our country, the need of the hour is to successfully meet such tests and challenges. The institute has an enviable track record of academic excellence, which is coupled with hands-on industrial training, and innumerable industry-institute interactions, which makes each student ready to be absorbed in the company. Our placement record reflects the versatile talents of the student community of the Institute. As a part of SKIT'S commitment towards quality education and excellence, we have embarked on promoting Faculty Development Program, Seminars, Workshops and Conferences, which will keep the faculty members and students abreast of their field.

I on behalf of SKITMG invite you to embark on a lifetime partnership with our Institute

Darkness can only be eradicated by imparting effective education
